As you may know, Presidents Day was originally Washington's Birthday as the first U.S. President from 1789 to 1797, however the holiday was not celebrated until 1879! The day then became known as Presidents Day to provide an occasion to remember all the U.S. Presidents, and to honor George Washington and Abraham Lincoln. Fun fact? A food traditionally associated with the holiday is cherry pie, based on the legend of Washington chopping down a cherry tree as a young man.
